

INT. FACTORY IN BRAZIL

EDWARD NORTON stands around looking like a scrawny piece of shit while everyone else in the factory works.

EDWARD NORTON  
I clearly don't belong here.

ATTRACTIVE FEMALE WORKER  
I don't belong in the story at all.  
And I'm clearly way too attractive  
for a minimum wage job. Not to  
mention one that requires heavy  
manual labor.

EDWARD NORTON cuts his finger on some machinery,  
which causes a drop of blood to fly twenty feet in the air,  
miraculously landing in an open soda bottle.

EDWARD NORTON  
Stop that machine!

The entire factory stops production so he can clean up a  
spec of blood. No one finds this at all odd.

EDWARD NORTON  
Hopefully I didn't miss some other  
droplet of gamma radiated blood  
that ends up getting shipped in a  
soda bottle to some random guy,  
killing him, and thus alerting the  
government to my location.

He DID.

ATTRACTIVE FEMALE WORKER  
I still can't get over the fact  
that an eighty-pound white guy who  
doesn't speak Portuguese has  
survived this long in the slums.  
How have you not been shot in the  
head yet?

Suddenly TIM ROTH, WILLIAM HURT, and GENERIC SOLDIERS show  
up and start firing into massive crowds of people as they  
chase EDWARD NORTON. No one calls 911 because Brazil is  
apparently too poor to commission police officers.

Eventually, EDWARD NORTON turns into GREEN EDWARD NORTON and  
tears shit up.

EDWARD NORTON

Time to go home. I have to find a cure to get rid of this amazingly useful ability which I can easily control.

ATTRACTIVE FEMALE WORKER

Uh, why did I spend the last ten minutes eye fucking you if your just going to disappear and my character never appears again in the film? There was no point to my existen-

EDWARD NORTON

HULK SMASH!

EDWARD NORTON heads off towards America without passport, credit card, cash, or fluency in any foreign language. The audience assumes he gave over three thousand blow-jobs to reach his final destination.

INT. SECRET GOVERNMENT AIRBASE

TIM ROTH and WILLIAM HURT discuss how they just got beat up by a GREEN CGI GORILLA.

TIM ROTH

The hell was that thing?

WILLIAM HURT

He was a scientist that once worked for me developing weapon technologies. Although I tricked him into thinking he was really studying radiation resistance.

TIM ROTH

Wow, either your a master of deceit or he's a complete idiot.

WILLIAM HURT

Then one day he decided to blast himself with tons of gamma radiation to prove a point to no one.

TIM ROTH

So, the latter.

WILLIAM HURT

But I think I have the solution.  
I've developed a serum that can  
make soldiers faster and stronger.

TIM ROTH

Will it make me a better actor?

WILLIAM HURT

We can only hope. This serum does  
have potentially horrifying side  
effects so unless-

TIM ROTH

I don't care, inject me  
immediately! I'm gonna kill Edward  
Norton.

WILLIAM HURT

Wait, weren't we trying to capture  
him alive at first?

TIM ROTH

It switches back and forth randomly  
throughout the movie.

WILLIAM HURT

Alright fair enough.

TIM ROTH allows himself to be PRODDED BY GIANT NEEDLES.

EXT. RANDOM U.S. COLLEGE CAMPUS

EDWARD NORTON lurks around campus creepily while dressed  
like a PEDOPHILE. He stalks LIV TYLER for a while until she  
notices him.

LIV TYLER

Your back! If feels like forever  
since you purposefully doused  
yourself with radiation, turned  
into a green monster, and almost  
murdered me. I'm so happy to see  
you again.

EDWARD NORTON

Rather than apologize for my  
stupidity, I'm going to act like  
I'm the one who deserves sympathy.

LIV TYLER

Is it alright if I stare into your eyes for uncomfortable lengths of time?

EDWARD NORTON

As long as I get to act vaguely troubled and barely speak.

This goes on for thirty minutes until finally TIM ROTH, WILLIAM HURT, and lots of GENERIC SOLDIERS show up and starting opening fire in clear view of HUNDREDS OF UNIVERSITY STUDENTS.

WILLIAM HURT

Let's all fire machine gun bullets at him because clearly that has no effect whatsoever.

TIM ROTH

I'll shoot at him with a pistol because I'm apparently fucking retarded.

TIM ROTH also uses his new STUNT WIRE POWERS and the ability to look SLIGHTLY MORE CONSTIPATED. In the end, GREEN EDWARD NORTON still kicks the shit out of everyone and escapes.

INT. LIV TYLER'S HOUSE

EDWARD NORTON and LIV TYLER hide out at her house for some reason.

LIV TYLER

I'm feeling frisky. Let's start making out.

EDWARD NORTON

Uh, seriously? Your father is leading the task force that's hunting me down everywhere I go. He knows where you live and we're sitting in your house right now. We need to leave immediately.

LIV TYLER

But I want to fuck you while you turn green.

EDWARD NORTON

Um... pass. We should actually be finding a cure I think. At least

EDWARD NORTON  
that's where the plot dead-ended  
about an hour ago.

INT. LAB

EDWARD NORTON meets up with TOM BLAKE NELSON to test out a  
cure, which fails.

EDWARD NORTON  
Well, this movie just got even more  
pointless.

TOM BLACK NELSON  
Yeah and there's still thirty  
minutes left. Not to mention we  
haven't really established an evil  
villain.

Suddenly, TIM ROTH shows up looking like he just SHIT A  
BRICK.

TIM ROTH  
That last serum didn't make me a  
better actor. Inject me with this  
new serum in my ass.

TOM BLAKE NELSON  
I can just inject it in your arm-

TIM ROTH  
I SAID IN THE ASS!

He gets injected and turns into a GIANT CGI LIZARD-TURTLE.

EDWARD NORTON  
What the... okay I really need to  
fire my agent.

EXT. STREET

A cartoonish battle between GREEN EDWARD NORTON and  
LIZARD-TURTLE TIM ROTH ensues.

GREEN EDWARD NORTON  
I refuse to lose to someone who  
starred in Planet of the Apes.

LIZARD-TURTLE TIM ROTH  
At least I didn't go from American  
History X to this pile of crap.

GREEN EDWARD NORTON  
HULK SMASH!

EDWARD NORTON wins, then runs off into the distance to  
rethink his acting career.

THE END.
